SC. 1

HARRY

Hey Angelo, ~~I~~ need to talk to you.

ANGELO

Was that your gym membership card?
Come on, you think I'm stupid.

HARRY

Then how about this.

Harry shows Angelo his I-Phone screen.

HARRY (CONT'D)

Yup, that's all your banking info.
Including an unexplained transfer.

This spooks Angelo.

~~Harry~~ HARRY

Here is the good news: you're not
who we want. So, start yapping
unless you want the IRS all up in
your business.

Angelo quickly takes ~~Harry's~~ advice.

ANGELO

Okay, look, I was approached by a
man who said he would pay me
handsomely if I found this ATM bank
video and cut out some footage.

HARRY

So, what did you cut?

ANGELO

ANGELO

It was footage of the MAN pulling a van up, opening the door, and then walking away. DELETED the whole thing. Even pulled the plug so they thought it was a power outage.

~~NEW~~ HARRY

You got a description of this guy?

ANGELO

He was fit, wore a cap, sunglasses, shoes polished, tan slacks.

HARRY

That all? Any marks? Tattoos?

ANGELO

As a matter of fact... on his wrist, but I could only see part of it. It was a Sun, with the number "7" on it.
