

Forrest Gump

Forrest & Jenny

[*Forrest knocks on the door Jenny lets him in*]

Jenny: Hey... Forrest. How you doin'? Come in! Come in!

Forrest: I got your letter.

Jenny: Oh. I was wondering about that.

Forrest: This your house?

Jenny: Yeah. It's messy right now. I just got off work.

Forrest: It's nice. You got air conditioning. [*Gives her a box of chocolate*]

Jenny: Thank you.

Forrest: I ate some.

Jenny: [*Puts box down and looks for album to show Forrest*] I kept a scrapbook of your clippings, and everything. [*Pointing*] There you are. And this, I got you running.

Forrest: I ran a long way. A long time.

Jenny: [*Still pointing at the clippings*] And there... [*Closes album*] Listen, Forrest, I don't know how to say this. Umm... I just I want to apologize for anything that I ever did to you 'cause I was messed up for a long time, and...

Forrest: [*Notices a kid's picture*] You're a mama, Jenny.

Jenny: I'm a mama. His name's Forrest.

Forrest: Like me!

Jenny: I named him after his Daddy.

Forrest: He got a daddy named Forrest, too?

Jenny: You're his daddy, Forrest.

[Moment passes as Forrest tries to process the news]

Jenny: Forrest, look at me. Look at me, Forrest. There's nothing you need to do, ok. You didn't do anything wrong. OK? Isn't he beautiful?

Forrest: He's the most beautiful thing I've ever seen. But... is-i-is he smart? Or is he... *[Gestures to himself]*

Jenny: He's very smart. He's one of the smartest in his class.

[Forrest gives a look like he wants to interact with the kid]

Jenny: Yeah, it's OK. Go talk to him. *[Gestures to the living room room]*
