

My Best Friend's Wedding

Michael: I've been thinking a lot the last couple of days, about us.

Julianne: Have you? Well there are a lot of memories to choose from I guess.

Michael: It's more than that. I mean it's kind of embarrassing to say it this way, but you've sort of been... You know the woman in my life.

Juliane: You've been the man in mine.

Michael: And I was thinking, this could be our last time alone together you know.

Julianne: *(laughing)* Except for that hot affair we'll have twice a year.

Michael: *(laughing)* Except for that. I mean, you commit to this wedding, and then... And then it seems like this momentum, and then you forget you chose it. You and I didn't... I mean in our relationships with other people... We didn't use the word "love" a lot, did we? *(pause)* Kimmy says, if you love someone, you say it. You say it right then, out loud. Otherwise, the moment just...

Julianne: Passes you by.

Michael: Passes you by. We don't even have a song. Kimmy and I... We don't have a song. You think that's a bad sign? *[Starts to sing]* "Some day, when I'm awfully low and the world is cold I will feel a glow just thinking of you and the way you look tonight" Is your dance card filled?

Julianne: Well I'll have to check. I keep my schedule on my phone these days.

Michael: Is that right?
