ROLE: JEREMY, MALE, 20's-40's

INT. CARRIE'S APARTMENT--SAME TIME

Carrie opens her door, revealing Jeremy. He has a cloth bag which he holds up.

JEREMY

I just wanted to give you these.  
(Hands her the bag) Marbles. In case I lose any more of mine, I want to know where I can find a stash.

Carrie laughs.

CARRIE

How are you?

JEREMY

She asks, with trepidation.

CARRIE

No, I think it's great what you're doing. I just--

JEREMY

Listen, I know I threw you for a loop the other night. I probably should have said something right up front, but I haven't really worked out my "rap" on this yet.

CARRIE

Yeah, it's a tough thing to "slip in."

JEREMY

Right. "Hi, I'm...not afraid of commitment?"

Carrie laughs.

CARRIE

Do you want to come in?

JEREMY

If that's okay.

(CONTINUED)

CARRIE

Sure, but I...

JEREMY

Have somewhere fictional to be?

She smiles. She still likes him in spite of everything.

JEREMY (CONT'D)

Don't worry. I won't stay. I just want to try to explain so I don't become that nut case you dated in high school.

CARRIE

(Feeling a little guilty)

I would never make light of this...

They sit.

JEREMY

I'm not going to lie to you. I'm going through some heavy stuff, soul-searching really, trying to figure out why some things are harder for me than they are for other people. I think my family has something to do with it. Always good to blame the parents.

She laughs.

JEREMY (CONT'D)

Anyhow, I figured I could either spend the next five years in therapy or spend a month taking care of it now. It's just more efficient. And I'm making progress. I feel better than I ever have, and if you saw Juno-Spears, you'd realize it's not One Flew Over the Cuckoo's Nest. It's more like Canyon Ranch...for the brain.

CARRIE

Do they have pilates?

JEREMY

There is pilates. There's even a theater program.

CARRIE  
No, really?

JEREMY  
Yeah, the productions are pretty  
hit and miss.

She laughs.

JEREMY (CONT'D)  
And you know, I'm a self-referral.  
I can leave whenever I want, so I  
can't be that crazy, right?

CARRIE  
Right.

JEREMY  
Except I am crazy...for you.

CARRIE  
Well...you make a very good case.

JEREMY  
That's what my doctors say. Sorry.  
Now I can't stop talking about it.

CARRIE  
I think it's very brave of you.

JEREMY  
To be there, or to tell you about  
it?

CARRIE  
Both.
